1966
Volume 31

Editor-in-Chief

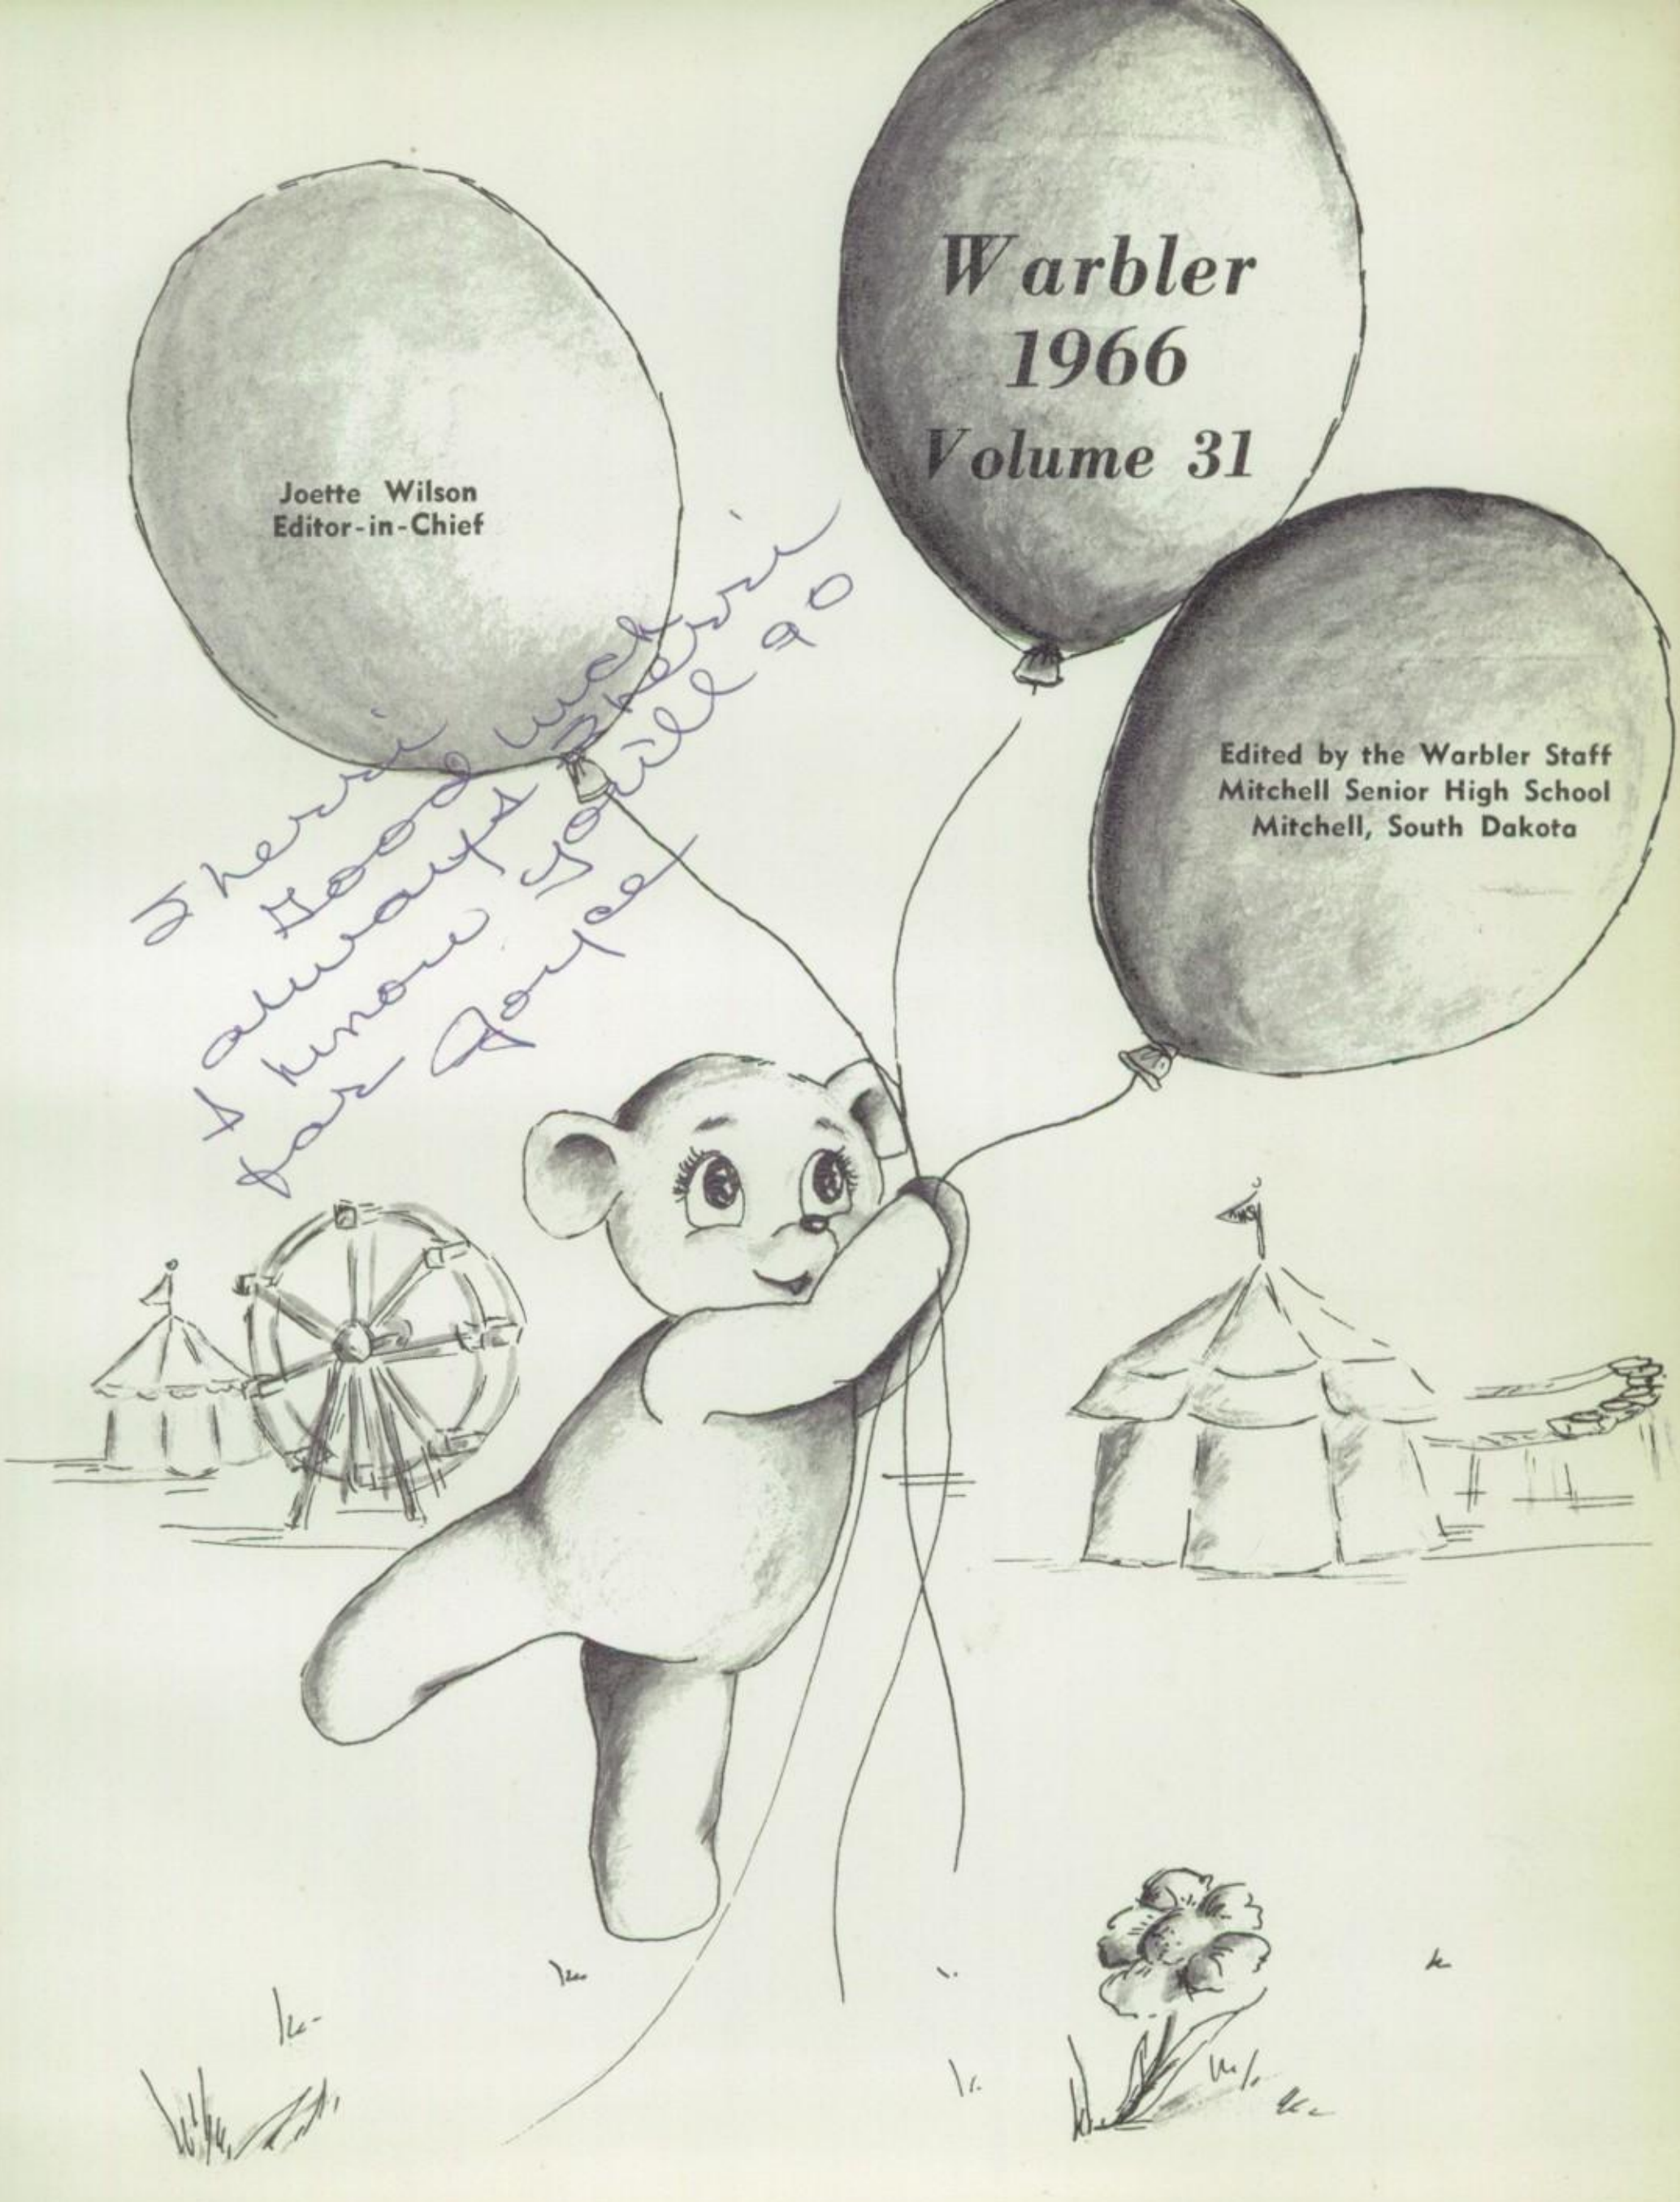
Mitchell, South Dakota



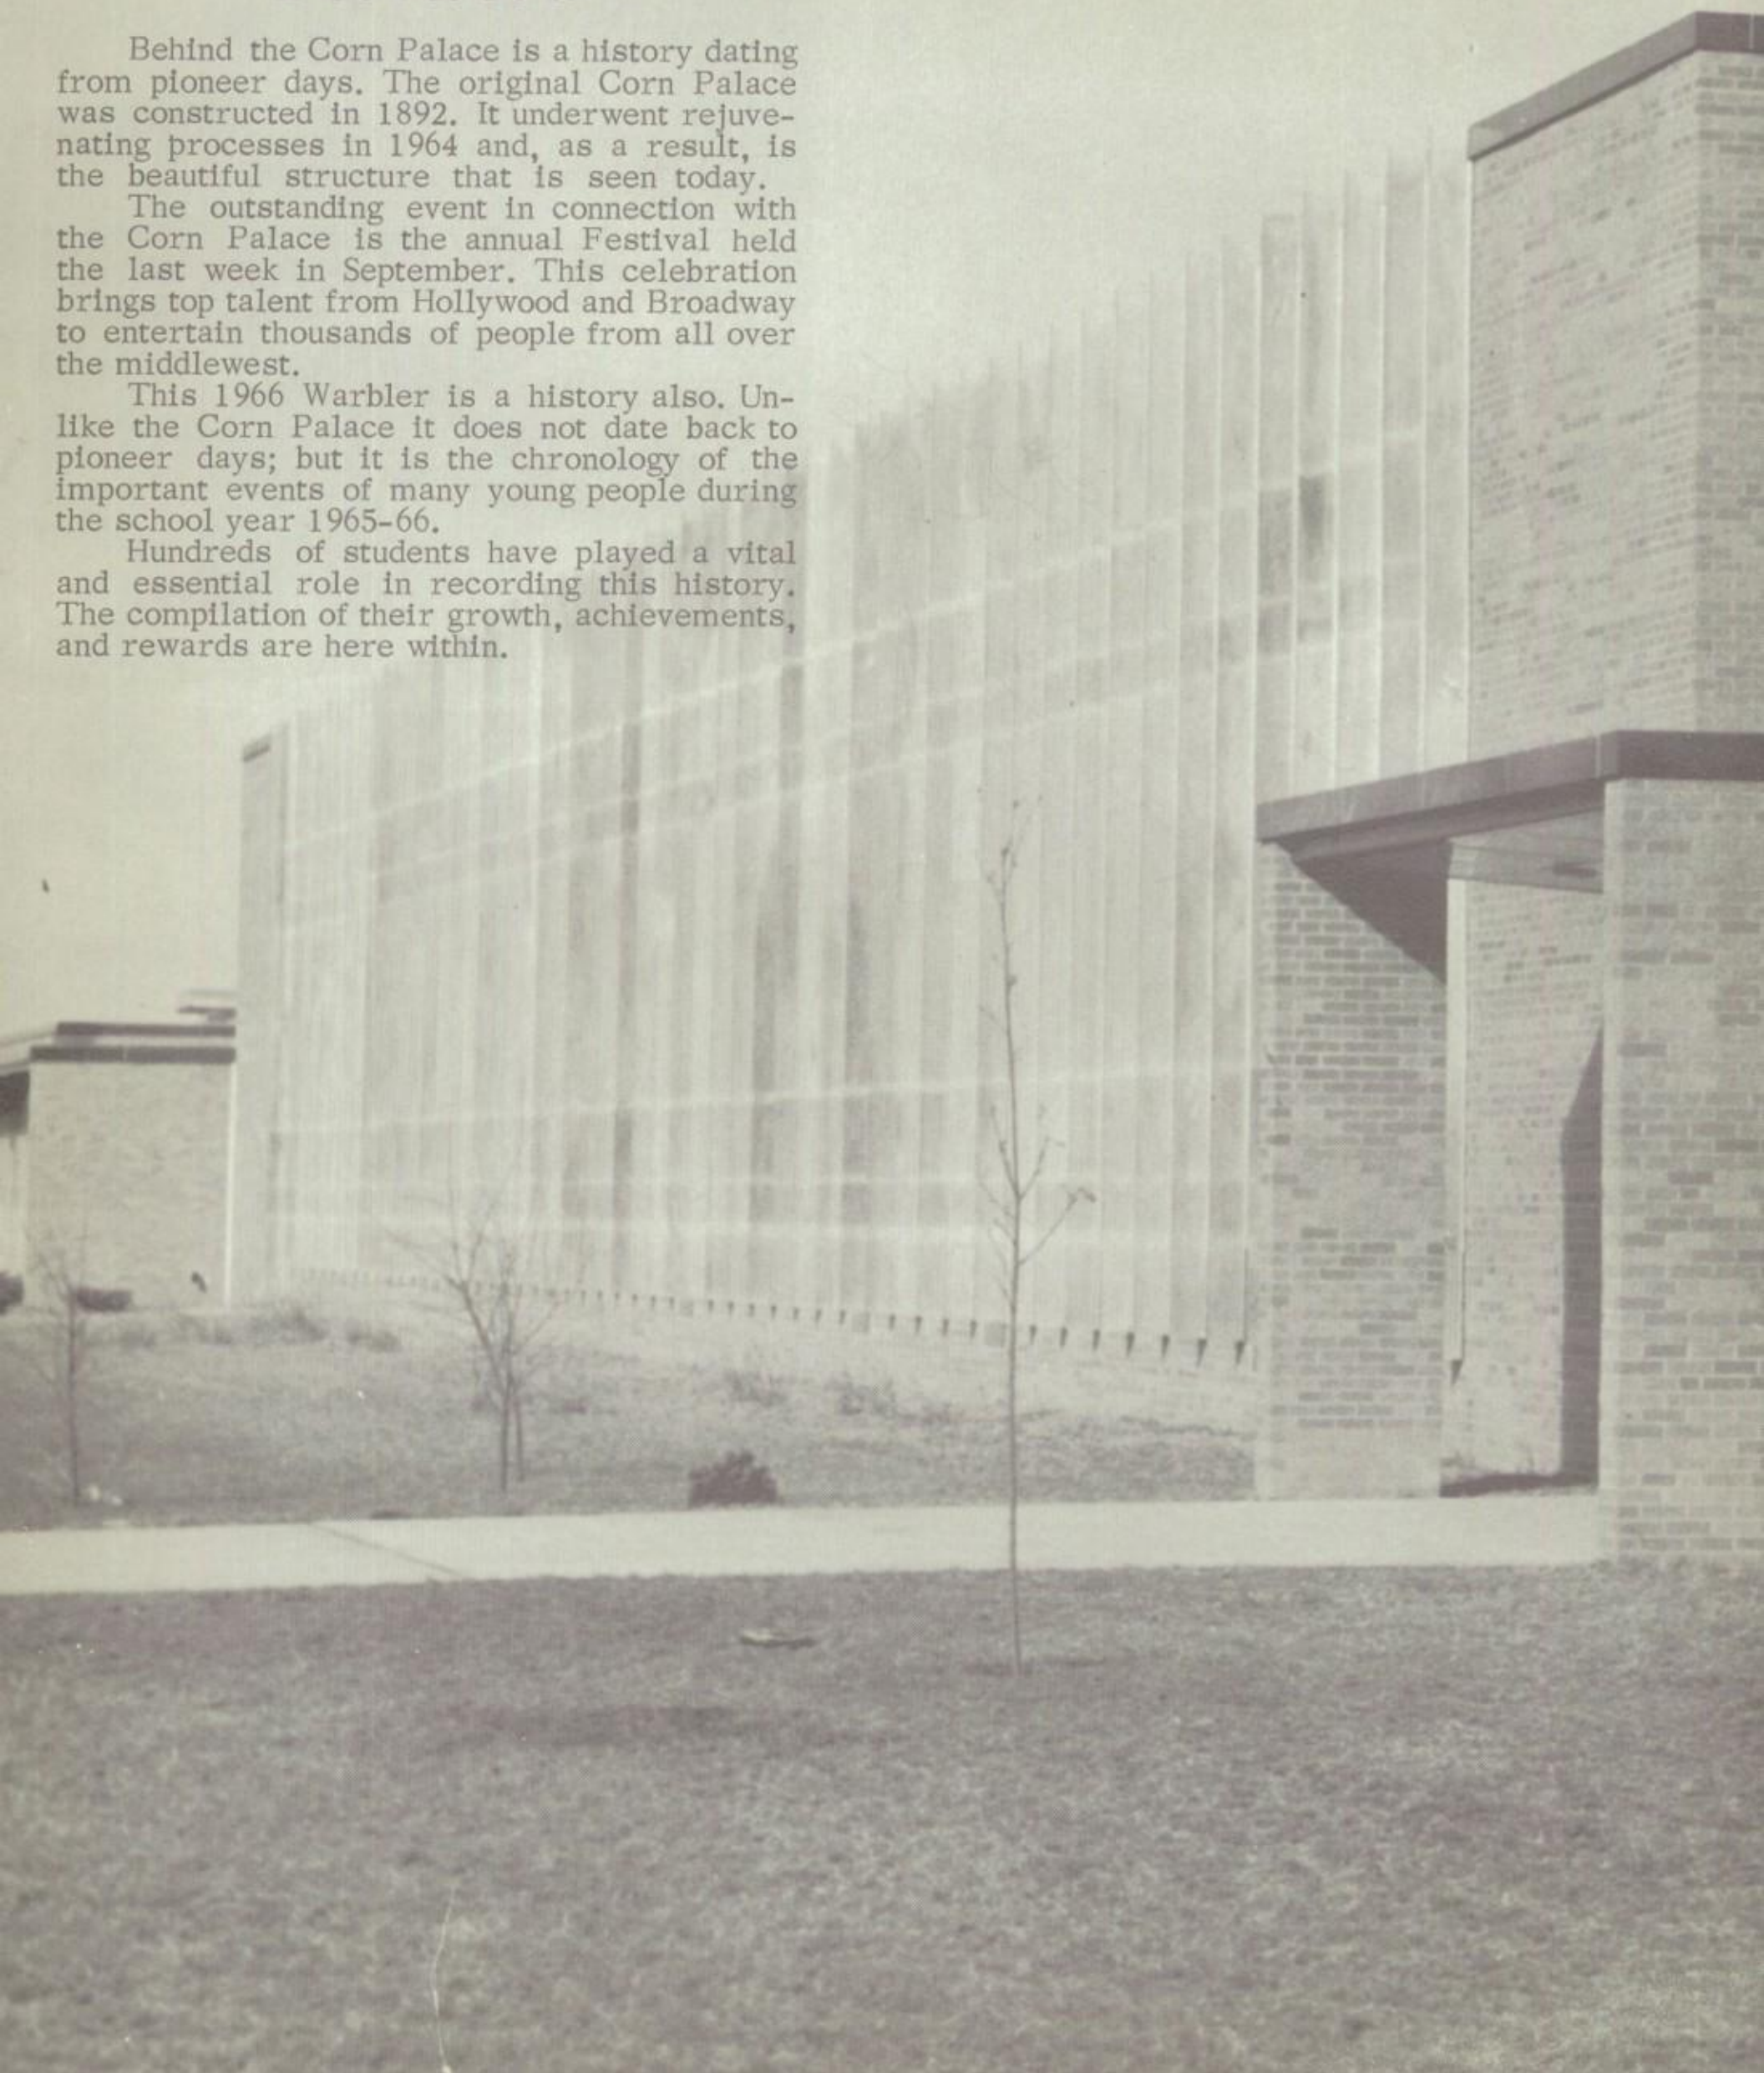
Foreword

Behind the Corn Palace is a history dating from pioneer days. The original Corn Palace was constructed in 1892. It underwent rejuvenating processes in 1964 and, as a result, is the beautiful structure that is seen today.

The outstanding event in connection with the Corn Palace is the annual Festival held the last week in September. This celebration brings top talent from Hollywood and Broadway to entertain thousands of people from all over the middlewest.

This 1966 Warbler is a history also. Unlike the Corn Palace it does not date back to pioneer days; but it is the chronology of the important events of many young people during the school year 1965-66.

Hundreds of students have played a vital and essential role in recording this history. The compilation of their growth, achievements, and rewards are here within.



Sherbi—

To a very very nice girl
[illegible]
I hope you stay just as sweet
as you are—
Hope to see you next
year

Be good
Cheers!

In Gratitude We Dedicate

The reality of a high school education is one of the most valued possessions that a person can achieve.

Four years ago we, as freshmen, began the first act of our show by starting high school in the beautiful, new building of MHS. We were amazed with the long, sprawling halls, many hurrying students, and the wise educators. Soon we adjusted and no longer could we be labeled "green freshmen."

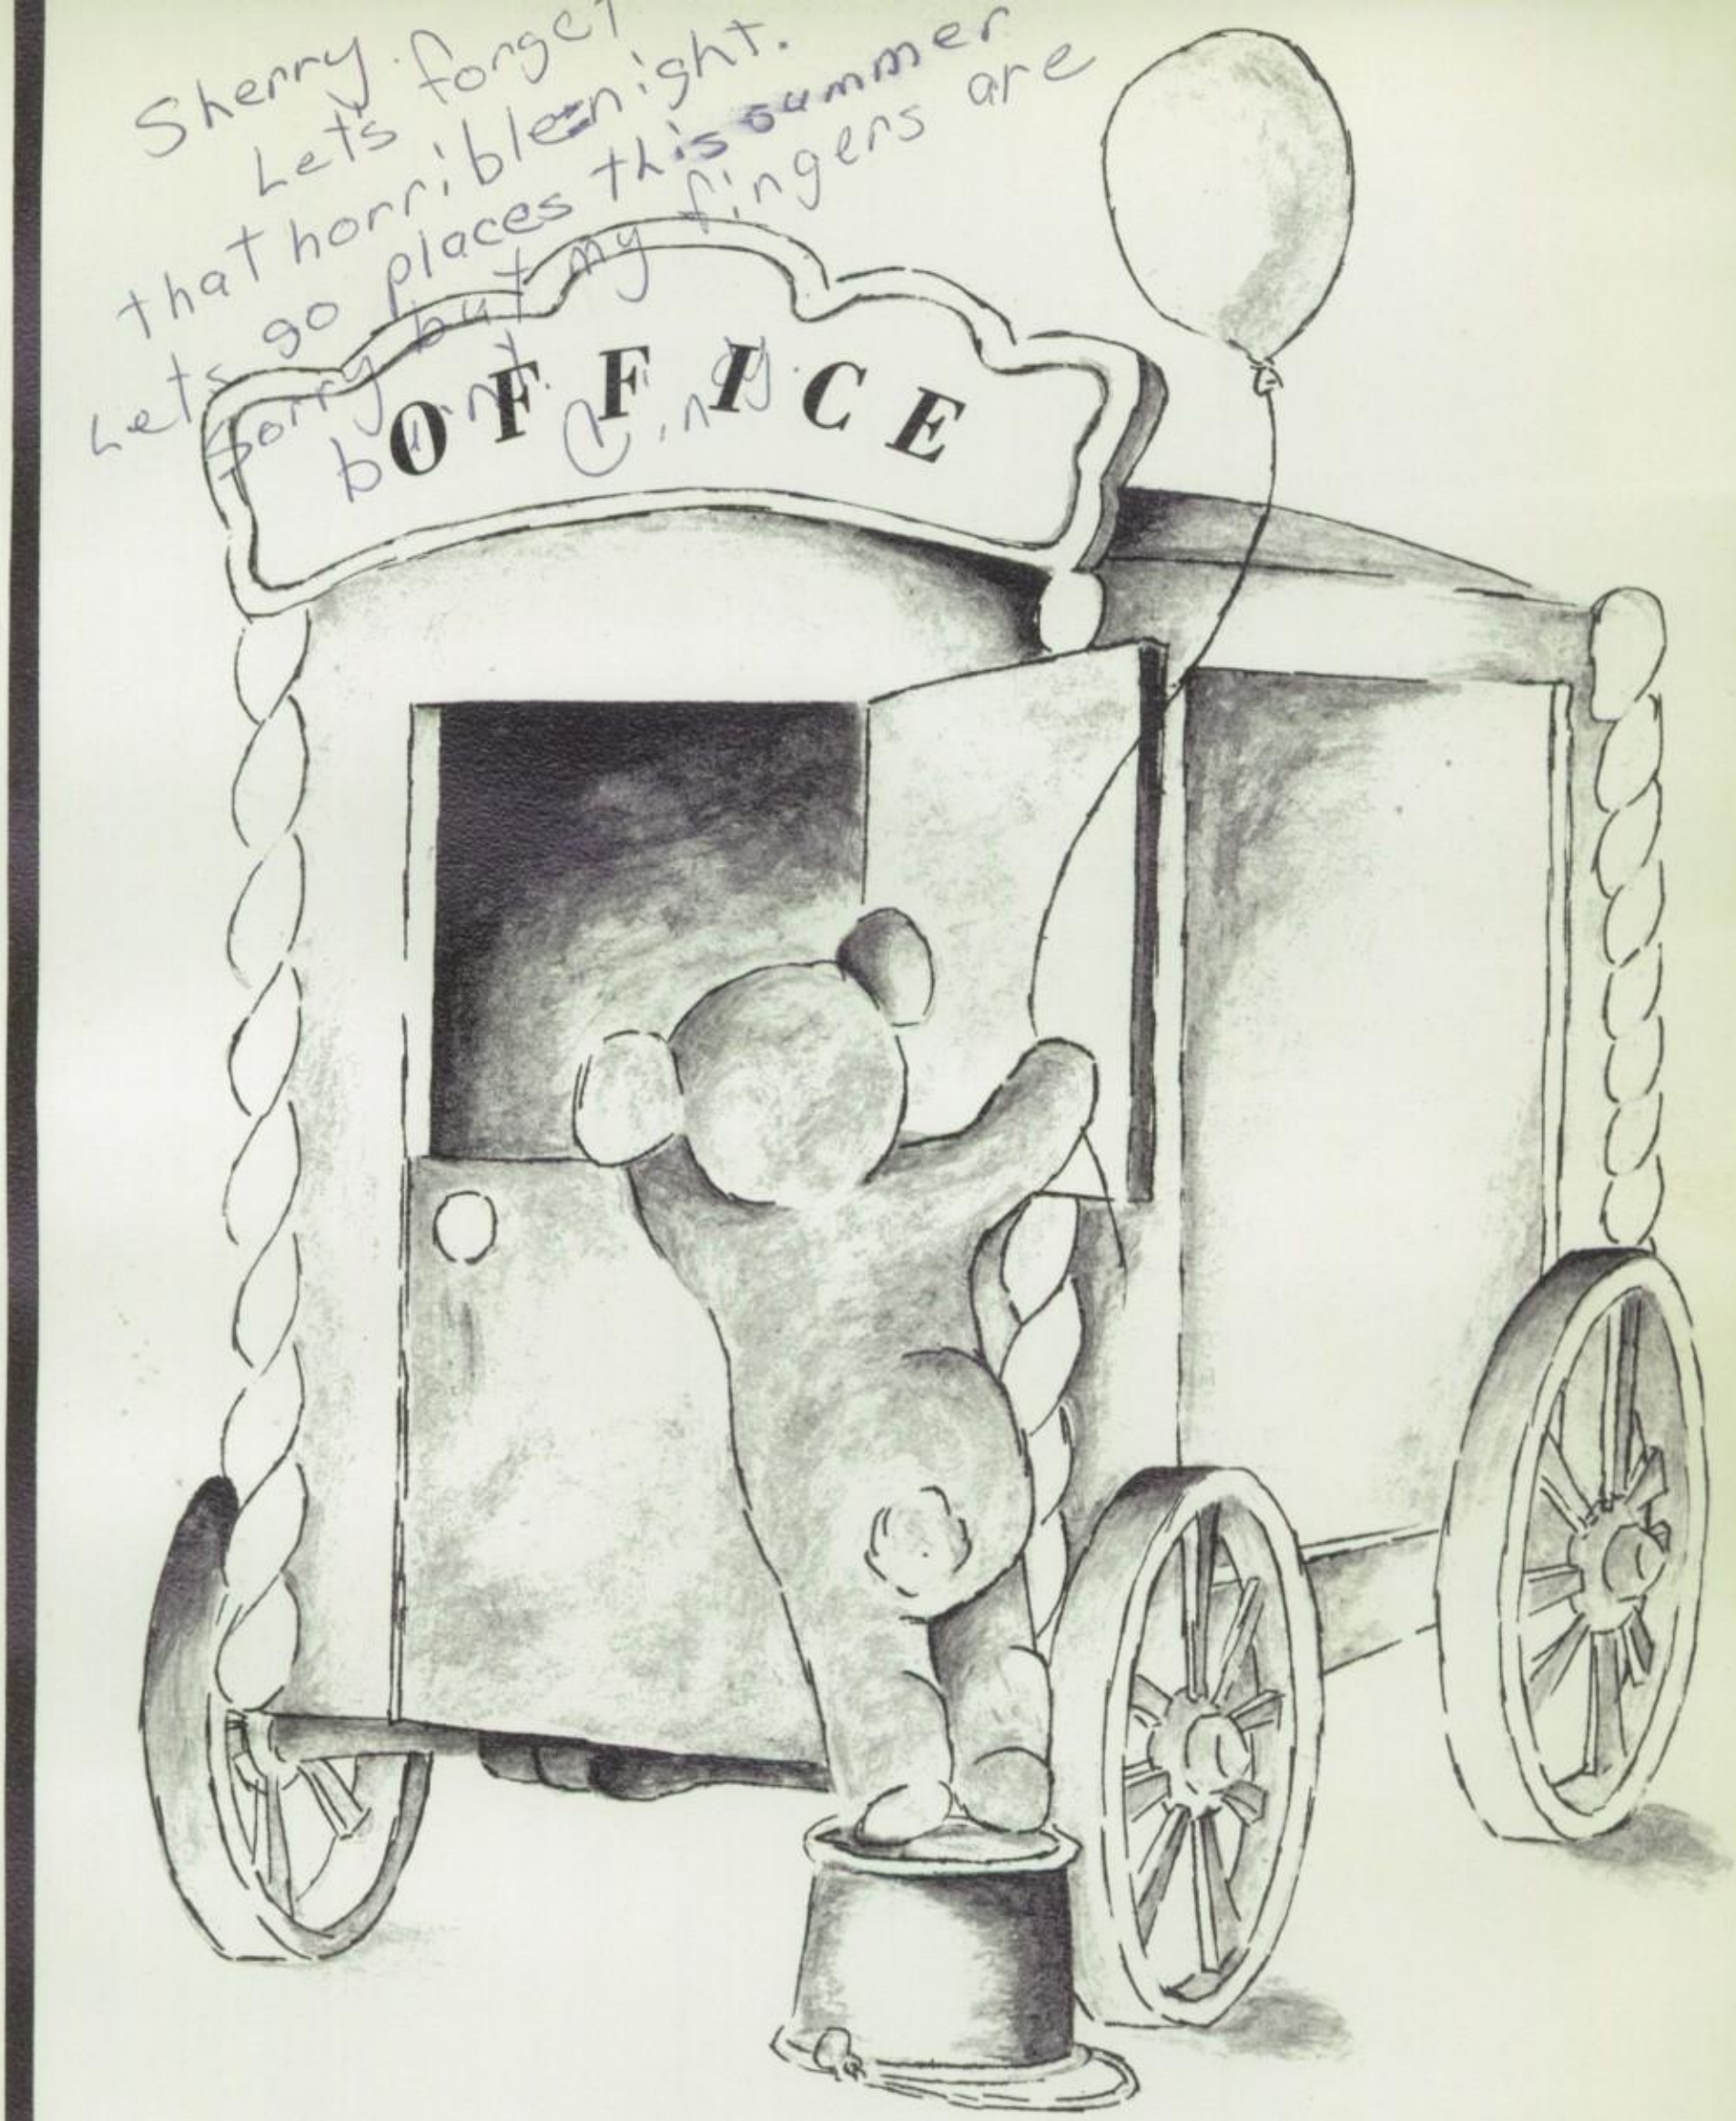
In the second act of our education, we clung to the feeling of belonging. We were part of the school and accepted it by challenging responsibility and maturity.

Reaching our third act of high school we were identified as "young adults." We attended college days, gave a beautiful prom, and began to look forward to our futures.

The finale of our show, our senior year, came with great speed. We were the leaders of the school today and perhaps, the builders of the world tomorrow. We look forward to a new stage in our lives where we will once again star in performances.

The curtain closes reluctantly on our high school years and we pause for this message: Thank you, the citizens of Mitchell, for offering us your kindness, your faith, and your help to further our education.

The 1966 Warbler Staff proudly dedicates this yearbook, the composite of many memories, to you, the citizens, in deep gratitude.



ADMINISTRATION

Dr. Robert W. McCardle
Superintendent

Two historical events will have occurred in Mitchell this school year —the remodeling of the World's Only Corn Palace and the graduation of our first class of students who have had the benefits of four full years in our new senior high school.

Some kinds of excellence can be provided only by the educational system while others must be fostered by the municipality. Your Administration and Board of Education desire to continue this pursuit of excellence for the youth of this community.

You've heard the comment that there is a time and a place for everything. We in Mitchell have the place, the Corn Palace, and the time, Corn Palace Week. In the years ahead, you will recall with pleasure these important facets in your hometown life. The Corn Palace is the hub of our community. School, forum, and entertainment meet here. Our lives and our community are richer because of it.

The Royal Court and pages Brenda Asmussen and Craig Hale pose after the ceremony.

"I hope the team can come off the field tomorrow night as happy as you've made me."

Introducing the opening act was Master of Ceremonies Dan Stevens. A trumpet fanfare by Tony Harley, Duayne Wieczorek, and Roger Schnabel directed everyone's attention to the entering of the 1965 Royalty. Pages attending were Brenda Asmussen and Craig Hale. A vocal solo by Bruce Forbes, a marimba solo by Peggy Snow, accompanied by Julie Parkhurst, and a vocal ensemble by a few members of the A Cappella Choir comprised the rest of the program. The suspense was finally ended by the announcement of the new King and Queen by the Royal Couple of 1964. A vocal solo by Judy Anderson brought the 1965 coronation ceremonies to a close.

The Royalty Rides

Following the coronation ceremonies the 1965 King and Queen began their reign as they led the Snake Dance down Main. It was halted in front of the Rec for a short pep rally led by the M.H.S. cheerleaders. The Snake Dance then proceeded to the stadium.

Cheering and yelling took over as Kangaroo Court got under way. Sheriffs brought students before the judges for such offenses as not wearing purple on Color Day or predicting that the Kernels would lose their game. A certificate for a free Warbler was presented to Tom Zundel for the best costume on Color Day.

The Mitchell Kernels hosted the Madison Bulldogs for their Homecoming game. The Bulldogs won by a score of 13 to 7.

The 1965 Homecoming festivities were brought to a close with a dance held in the school gymnasium. The Blue Denim Sneakers offered the entertainment for the Mitchell students.

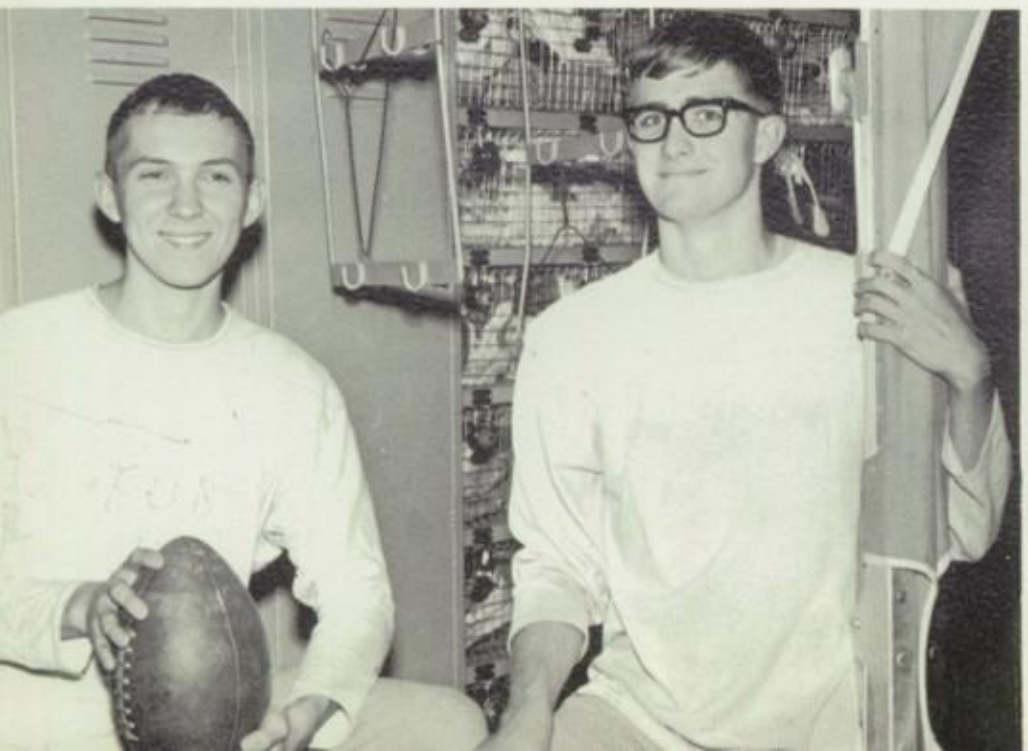
Varsity Gridders

Hustle, spirit, and determination were the three key victories of the Kernel gridiron season. The campaign began on an encouraging note as the men of Earl Hilton dropped Gregory and snapped a four year jinx by the Gorillas.

However, the Kernels were winless in the tough ESD conference, although never really outclassed or outfought. Winning their final game over non-conference foe, Pierre, the Kernels brought the season to a close.

Dave Brewer and Larry Hale were elected co-captains by the squad members, and Hale was also honored as the most valuable player. Junior end Charles Miller was voted the most improved player on the squad.



Buck Timmins and Jerry Merriman were the student managers.

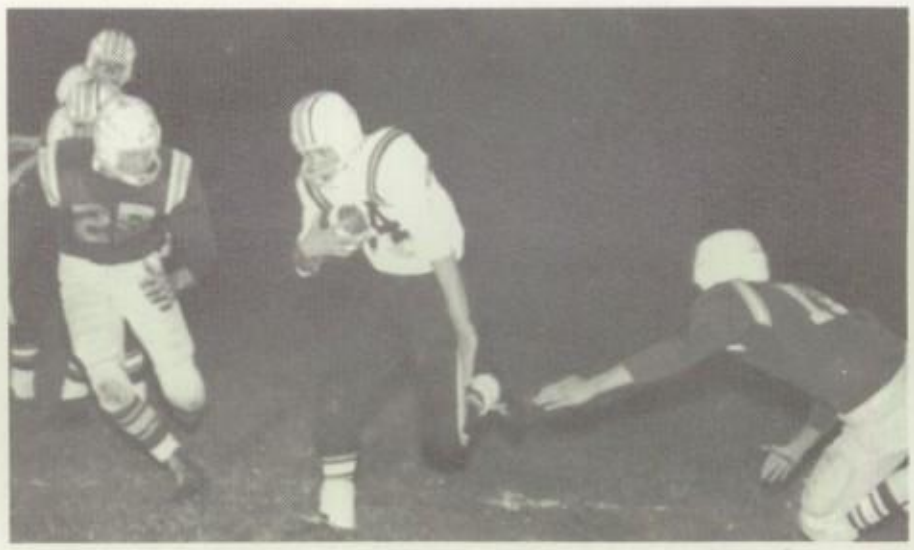
Sophomores Tie 2, Lose 3

Coaches Bob Brooks and Bob Alexander's gridiron squad managed two ties against three losses to finish 0-3-2 for the 1965 campaign. The fact that several of the boys from the previous year's undefeated freshman team did not participate this year, dealt a considerable blow to the team's chances.

The sophs tied with Madison (6-6) and Wagner (0-0). Yankton dealt the gridders a 21-0 defeat, and Huron inflicted a pair of losses (46-0) and (20-13) on the sophs hopefuls. Twenty-three gridders finished the season and are prepared for varsity action next year.



RIGHT—"Pierre's Rick Riggle and Buddy Cassell reach in vain for fleet-footed Larry Hale (24).

FAR LEFT—"If you tackle me, I'll tear your helmet off," threatens Larry Hale (24).

'Frosh' Make Comeback

Two wins over the Huron freshmen highlighted the season for the young gridiron hopefuls. In their first encounter, the Stocking gridders dropped Madison 20-7, and they repeated the score against Huron a week later. A 13-8 defeat at the hands of Yankton gave the squad their first defeat, but they rebounded to drop Huron once again by the score of 12-6.

The team's best offensive performance game was against the Yankton freshmen as they clubbed the Yankton counterpart, 24-0. In their final game of the campaign, the Madison gridders edged to a 13-6 victory.

LEFT—"A little push and a perfect forward roll," shouts Dennis Stüder (63).

RIGHT—"My doll is this big," explains Dave Brewer (83) to an interested Pierre Governor.

It's a tough game the Kernels and their fans view on the court.

We Are the Kernels

With no returning starters from the '64-'65 season the Kernels proved to their fans they could produce a top notch ball team by utilizing all their talents.

Coach Bob Brooks guided the team to third place in the Eastern South Dakota Conference. The Kernels won 3 of 4 non-conference games during the regular season and compiled an 11 win - 6 loss record for the regular season.

Losing to a powerful Chamberlain outfit in the finals of Section IV, the Kernels ended their season on the short end of an 84-54 score. The Cubs jumped to a 5-0 lead in the first quarter and were never caught.

Mitchell made its way to the finals with a 48-46 thrilling overtime victory over the Huron Tigers with Bill Timmins sinking the winning basket with 18 seconds remaining.

The Chamberlain Cubs squeaked by the Miller Rustlers 64-61 to earn their way to the championship.

In the battle for third place, the Rustlers led most of the way to defeat Huron 77-72.

The sophomores, coached through a very successful season by Earl Hilton, should provide some exceptional material and talent for future varsity teams.

In winning 12 of 15 games the Little Kernels posted the "winningest" record of all Senior High teams.

Backed by a strong and able bench, Hilton's courtmen demonstrated they were a threat to all comers.

Junior Varsity basketball provides for a number of interested boys the experience and practice needed for future basketball activities. It is the hope of each member of the J.V. squad to gain a berth next season on the varsity team.

The '65-'66 J.V. team, piloted by Dennis Andrzejewski, won 6 of 14 games, a .430 season mark.

Standouts on the team were Butch Shawd who posted a 14.2 point game average and Steve Splitt, 10.6 points per game.

Break Down! Break Down!

Finishing one of the finest years since the sport was originated in 1962, the wrestlers, under the direction of head coach Joe Lopour and assistant George Valentine, placed seventh in the State Tournament at Watertown.

Scoring 49 points at the Regional Tournament at Huron was enough to take second place behind Huron who scored 125. Miller, Winner, Madison, Gregory, Chamberlain, Redfield, Faulkton, Mobridge, and Wagner also competed. The seven wrestlers qualifying for the State Tourney included: Mike Bollinger, Dave Backlund, Gary Baldwin, Lynn Wegehaupt, Tom Zundell, Kent Pennings, and Keith Collins.

At the State Tournament, for the first time in the school's history, a wrestler won the State Championship. Winning this first-place medal and high honor was Tom Zundell who wrestled at 154 pounds. On his way to the Championship Tom picked up fifteen of the teams 30 points. Watertown won the tournament with 46 points. Mike Bollinger, a sophomore in the 95 pound class placed third in his class. Dave Backlund also placed high in the individual standings with a fourth place medal in the 120 pound division. Dave is a four-year letterman in this sport.

With the number of boys out for wrestling as large as it was, "B" and "C" squad members participated in a few of their own meets. This gave them the experience needed to develop varsity-like abilities.

The "B" and "C" squads, under the direction of George Valentine, participated in matches against the varsity wrestlers of Wagner, Plankinton, Chamberlain, and Sioux Falls Washington.

Wrestling can be a "backbreaking" sport as demonstrated by MHS matmen.

"B" MATMEN - ROW 1: (Left to right) Wayne Duba, Jerry Diamond, Kent Pennings, Brian Johnson, Richard Hofer, and Brad Schoepf. ROW 2: Tom Kippes, Dave Bruce, Gary Schambers, Gerald Harris, and Kermit Hovaldt.

'A' Squad Prepares for '65 Season.

Coach "Bernie" Stocking calls his squad together for a conference.

Mitchell plays a traditional role in track and field events by acting as host to the Corn Palace Relays. Athletes from all corners of the state and out of state participate in this event. Records are often broken in the keen competition seen at Kernal Stadium during the relays.

Ten Qualify for State

For the first time in nine years Mitchell failed to cop the Regional Track Meet honors. Huron won the event by scoring 80 points while Mitchell followed with 49. Other teams participating in the meet included Desmet, Highmore, Miller, Redfield, and Wessington Springs. Helping considerably were double wins by Ed Beittel in the high and low hurdles and Bill Farris in the shot put and discus events. Ten who qualified for the State Meet held in Watertown were Bill Farris, Ed Beittel, Dan Sudrla, Tom Clawson, Jim Cooper, Doug Osborne, Gary Leach, Gene Rainey, Jerry Carlson, and Larry Hale. Ed Beittel received a third place medal in the high hurdles to take the honors for the Mitchell squad.

One school record fell this year. Bill Farris broke the shot put record set in 1949. Bill heaved the ball 50'10" at Madison in a dual meet.

Another record was tied when Ed Beittel clipped off the high hurdles in fifteen seconds flat. The record was set by Dick Green in 1960.

A total of 54 boys participated in the season track schedule. This included 19 seniors, 17 juniors, and 18 sophomores.

Dan Sudrla won the Annual High School Decathalon. Following were Jim Cooper, Doug Osborne, Bill Farris, and Gary Leach.

"Everything must go over, including that lazy left leg." Doug Osborne nearly broke the school record of 6'1 1/2" but this same left leg gave him trouble every time. His all-around agility is invaluable.

Here Are the

With a grim smile and a flash of speed Ed Beittel is off over the high hurdles. Tying the school record of 15 flat about midseason but then getting injured kept him from breaking the record. Ed proves to be one of the bright spots on next year's squad and the old record seems sure to fall.

Setting the pace in the distance events this year were Hartley Alsgaard and George Austin, Both runners specialize in these events and may prove to be tough competitors in the next few years.

Jim Cooper demonstrates "his" technique of clearing the high jump bar. Jim proved to be one of the more consistent jumpers throughout the season and placed high in a number of meets.

Individual Stars

Doug Osborn looks for the softest spot to land and by his smile has found it. When Doug finds the soft spot he often comes in with a top medal also.

Gary Leach's smile seems to indicate that he has just made a good leap.

The Freshman Track Squad, under the direction of Bob Brooks, participated in three meets during the season, winning two. The only loss was to Huron by a score of 52-48. Jan Vonburg picked up a triple-win in the loss.

The squad won the Four City Junior High Track Meet held in Madison. They also won the Mitchell Junior High Invitational Track Meet against Platte, Kimball, Wagner, and Parkston.

Fritz Schapler won the Freshman decathalon with 30 points, compared to 28 for Jan Vonburg, and 21 for Doug Sperlich.

Standouts of the team were Jan Vonburg, Terry Covlin, and Doug Sperlich.

RUN! RUN! RUN!

George Valentine, in his first year of coaching, took over the controls of the cross-country squad. Twenty-eight participated and with only eight seniors, the outlook looks bright for coming years. The squad participated in meets with Huron, Wessington Springs, Yankton, and the State Meet in Brookings. Mike Bollinger, Kent Pennings, and Jerry Diamond were consistently taking the honors for the Kernels.

Press notices attract the attention of the stars, but many of our students are interested in reading, not press notices but good books.

The Literature Club was established to promote an interest in good literature and an understanding of authors' techniques.

In addition to their intended purpose, the club also supports the sale of both recreational and educational paperback books.

With the guidance of Mrs. Beverly Mortensen, the group read, Death Be Not Proud, Animal Farm, Longest Day, Act I, and Sense and Sensibility.

An actor speaks out but a writer finds that "The pen is mightier than the sword," which quotation could well be the motto of the Quill and Scroll, an international society organized April 10, 1926, for outstanding journalists.

In order to qualify for membership, the high school student must maintain a "B" average and have done superior work in some phase of Journalism. Having met these qualifications those eligible are recommended by John Aldrich, journalism adviser, to the executive secretary for approval.

In a banquet at the Lawler, the first semester members were formally initiated. Jackie VanWesten was the only recipient of a pin the second semester.

It's Fun to "Dip and Dab"

Designing the murals of the Corn Palace, Oscar Howe, Indian artist, displays his artistic talents, while the creative talents of our students are put to use at the weekly meetings of the "Dip and Dab" club.

Under the direction of their adviser, Mrs. Wanelda Clemens, the artists produce many beautiful and useful projects.

The only requirement for membership to the club is a definite interest in art--it isn't necessary to be enrolled in an art class.

Christmas wreaths and trees were made and sold by the members to raise money for a trip to the Walker Art Institute in Minneapolis.

Each performer usually checks his own equipment at the Corn Palace, but here at school the student librarians fulfill a necessary need.

Learning by doing is a phrase applying to the members of the Library Club, as they check books in and out, assess fines, sign slips, and keep the library in general good order.

As they gain knowledge and give assistance, the student librarians are rewarded by receiving one-half non-solid credit for the school year for their work.

Under Mrs. Marjorie Sougstad's leadership, members become better acquainted with the library and its opportunities.

No neophytes are found on the Corn Palace stage, but DECA is full of beginners in the working force of tomorrow.

To fulfill the gap opened by the expansion of the job-training education offered this year, DECA was established.

The Distributive Education Club of America is a self-supporting organization with members paying local, state, and national dues. Membership in this organization is voluntary but strongly encouraged. Every Co-operative Education student in Mitchell is a member.

Its emblem is diamond-shaped with a wrapped package in the center. The wrapped package symbolizes a well-rounded education in preparation for life achieved through the cooperation of the school administration, teachers, parents, and businessmen all working together to develop the student.

Its goals are to master vocational understanding and to promote civic consciousness, social intelligence, and leadership.

Events throughout the year include club meetings semi-monthly, Fall Planning Conference consisting of delegates from each club in the state, state competition between the clubs in six different vocational areas, national competition between winners of state competition and the Employer-Employee Banquet.

Audience acclaim, "peps" up the Corn Palace Show, just as the united cheering of our Pep Club members instills in our athletics a better performance.

If by chance you happen to walk by the cafeteria on a Tuesday afternoon before a home game and hear loud cheers shaking the walls of M.H.S., don't be too alarmed. It's the Pep Club members practicing new and old cheers. A constitution was initiated last year and a new motto-Best Sportsmanship and School Spirit in the E.S.D.-was adopted.

Superior performance, not on the stage, but in the athletic arena, culminating in the awarding of a coveted white letter automatically enables an athlete to become a member of "M" Club.

Sportsmanship, honor, and loyalty are all characteristics of the Senior High lettermen who compose this group.

"M" Club meets on the first Monday of every month and has sponsored various public and school activities.

"THE UNSUSPECTED"

On December 7 and 9, the junior and senior classes presented "The Unsuspected," a three act mystery by Robert Brome.

Tyl Frazier, a timid former ward of Luther Grandison, returns to her home after being lost at sea. She finds a man, Frank Moyihan, posing as her husband. Mysterious things have happened around the household; Grandison's former secretary is killed, then Frank poses as her husband, and finally the mysterious killing of Grandison's other ward, Althea is discovered.

With the help of his sister, who is Grandison's secretary, Frank finds that Grandison is trying to kill Tyl to get her inheritance. When Frank mysteriously disappears, Tyl realizes what Grandy has been trying to do.

The play reaches its climax when Grandison trys to make a get-away and is captured. In the end, Frank and Tyl feel that maybe they should make their marriage legal.
